Dear Vickie and Jimmy,

Our weather is beautiful so the yard work has started. We had our tree man yesterday and he cleared up the broken limbs and branches and one tree that had blown over during the wind storm.

Art Mc Kean has sent a letter to our cabin tenants telling them they must pay the rent or move out. They just completely ignore the rent and do not contact us at all except to ask for something.

We are planning to come out in May and I am very excited about it. Dad is feeling better today and is going out now to the super market and post office so will stop so this letter can go with him.

Love,

Mom
